WRIGHTWAY UNDERWRITING LTD IS REGULATED BY THE CENTRAL BANK OF IRELAND

WRIGHTWAY UNDERWRITING LTD ANNOUNCES A NEW PARTNERSHIP WITH WATFORD INSURANCE COMPANY EUROPE LTD TO WRITE MOTOR INSURANCE IN THE IRISH MARKET

Wrightway Underwriting Ltd (Wrightway) is delighted to announce that, from 1st December 2016, we will partner with Watford Insurance Company Europe Ltd (Watford) to provide private car, light commercial vehicle and commercial motor insurance in the Irish market.

Watford is Gibraltar based and is regulated by the Gibraltar Financial Services Commission and provides capacity to clients across Europe. The company is A- (Excellent) rated by AM Best, based on its strong risk-adjusted capitalisation and an experienced underwriting partner.

This is a strategic partnership which will bring greater choice, value and continuity to the market at this time. Both Wrightway and Watford have worked closely together over the past six months to ensure that the new products are not only competitive but, most importantly, will be sustainable. Initially, this is a three year partnership but both organisations are keen to work together over the coming years to ensure the relationship endures long into the future.

The products available are Wrightway Fresh private car, Van Plan, Truck Plan & Multi Plan. All products will be available for new business in your next software release from Open GI and Applied Systems (Relay), effective 1st December. Renewals after 1st of January 2017 will include a customer notice outlining the changes to any affected renewal in order to assist you in advising your customers.

All policy documents are available to review on our website.

At Wrightway we are focused on executing our strategy, building on our strengths and market expertise to bring new capacity opportunities to our broker partners now and over the coming months.
